

Turning Point Academy Association

Turning Point Academy Association exists to bring like-minded education advocates together to equip, encourage, and strengthen one another in order to provide transformational education to the next generation rooted in God's truth and virtue.

All TPAA affiliates* agree that:

- There is a God, and He is not manmade. God is the creator of the universe and reigns supreme.
- The teaching of God's truth and virtue is the beginning of wisdom and is the best defense against destructive ideologies.
 - There are two sexes - male and female, and two genders - man and woman
 - Marriage is between one man and one woman.
 - All life is sacred, beginning at conception.
 - All people are created equal and in the image of God.
- The epicenter of a child's formation is the family. The church, schools, and community exist to serve God and the family.
- The founding ideals of the United States - freedom, equality, liberty, opportunity, and democracy are essential to teach, model, and preserve.
- Working together advocating for virtuous education is critical for a flourishing society.

**If you are the head of school, a staff member, or a teacher at a school that can't agree with these values, but you hold them personally, we highly encourage you to join TPAA as an individual affiliate member.*
